

Greystone Resolution

Whereas the Greystone Park property is located on the border of Morris Plains,

And whereas any future change in the development of this property would have an adverse effect on Morris Plains,

And whereas the current state law limits the use of the former Greystone Park property to open space, parks, and recreation,

And whereas the Morris Plains Democratic Committee is fully supportive of the state law that limits the use of Greystone Park property and would oppose any changes to that law,

Now let it be resolved that on this date, August 17, 2010, the Morris Plains Democratic Committee supports the current state law that limits use of Greystone Park property.

Be it further resolved that a copy of this resolution be sent to the Governor of the State of New Jersey; the President of the Senate and the Speaker of the House, the State Chairs of the Democratic and Republican Parties; the Morris County Freeholders; and such additional governmental representatives as shall be designated.
