"Councilmembers Verga & Ivey work hard to keep taxes low. They've saved money on trash and recycling contracts, secured grants for parks, crosswalks and trees, and look for shared services and smart solutions. They're practical, effective leaders, and most important of all, they listen. We proudly support their re-election to Borough Council."

- Lee & Michael Connor

"We chose Morris Plains to raise our family, and Councilmembers Verga and Ivey are helping keep it the safe, welcoming town we love. As parents of young kids, we appreciate their commitment to safer, more accessible streets, strong support for first responders, and a community where everyone feels at home. Nancy and Michael truly listen and take action to make our town even better."
