Bill Houston & Tyler Pontier to Run for Morris Plains Council

Bill Houston

Tyler Pontier

The members of the Morris Plains Democratic Committee are proud to support Bill Houston and Tyler Pontier in their campaign for Morris Plains Borough Council. The two candidates are passionate about their family-friendly community and want to play a part in shaping its future.

Bill Houston and his wife, Meghan, chose Morris Plains as their home in 2008, having long-standing family connections to the community. Bill ran for Council last year and came in just short of a win against two incumbents. He regularly attends town meetings, videotaping the proceedings to ensure that residents are kept informed. Professionally, Bill implements cost-effective technology solutions that enhance communications and processes in corporate settings. He served in the United States Coast Guard Reserve for eight years and is a past member of the Morris Plains Fire Department, where his son is now a volunteer. Meghan has been a member of the Recreation Commission. She and Bill take part in their children's activities, including theatre. The children attended Mountain Way School and are currently enrolled at Borough School.

Tyler Pontier and his wife, Meredith, also made a deliberate decision to raise their family in Morris Plains and have been enthusiastic residents ever since. They have twin 8-year-old daughters, as well as two French bulldogs. The girls attended Mountain Way School, where Tyler was class parent, and are now at Borough School. Tyler serves on the Morris Plains Rotary Board of Directors and is enjoying his career in real estate, working locally.

Bill and Tyler look forward to the campaign, listening to residents and learning more about how they can serve them if elected to the Borough Council.
